A month or so ago the world was witness to a heartbreaking tragedy involving one of the flagships of the Sabena (Belgian) Air Lines. Among the unfortunate victims were Natalie and Gregory Kelley of Newton, Massachusetts. I would like to find out, if possible, the cause of this crash. I shall appreciate it, very much, if you will make appropriate inquiry and advise me of any reports which may be available as to the cause of this disaster.

With kind regards, I am

Sincerely yours,
